

Centennial High School fight Song

Fight, Fight, Fight for Centennial High on-to victory.

We'll always do our best when put to the test.

That is what separates us from all the rest.

So let's all cheer for Centennial High,

Hail to the silver and maroon.

Through thick and thin, we'll never give in,

So GO, FIGHT, WIN!

Centennial High School Alma Mater (verse 1)

Centennial High, We long will cherish,

all the memories that you have given.

Our Patriots bold- our colors gloried

Shining silver and rich maroon (and rich maroon!)

Live in our hearts forever.
